**July 18<sup>th</sup>** 9 am to noonish

**Instructor:** Claudia Herber

**Maximum Class Size:** 30

**Cost:** \$65

**Description:** This is a technique class with the goal of gaining the skills to create beautiful drawings with controlled fire. We'll explore a series of strokes that you can use to make values from light to dark. If you'd like to expand your skills or simply get inspired to use more wood burning in your gourd art, this is the class for you!

**What to Bring:** Please bring your 'temperature controlled' wood burner with 2 tips: medium skew or sword and a medium ball. Bring your dust mask and pencil. You will also need an unopened 5" to 6" diameter cannon ball gourd.
